## SUMMARY

Enthusiastic Learner in Python and currently expanding skills in Development with a passion for
continuous learning and problem-solving, adept at creating robust and user-centric web applications Currently advancing knowledge in software engineering principles.

## SKILLS

C | PYTHON | JAVA (oops) | HTML | LINUX

## WORK EXPERIENCE

**Globsyn Finishing School** | Intern                                                               **June'24 - Sept'24**

- I gained hands-on experience in web development and honed my skills in front-end technologies such as HTML, CSS, and JavaScript.
- I collaborated with a dynamic team to create responsive and visually appealing web applications.
- Through this experience, I developed a strong understanding of web design principles and best practices.
- I also had the opportunity to contribute to project planning and execution, gaining valuable insights into the full software development lifecycle.
- My internship at Globsyn Finishing School was instrumental in enhancing my technical skills and preparing me for a career in web development.
  .
